A SKYLINE MASTERPIECE

Elegantly crafted and filled with natural light this 4 bedroom home comprises master with en-suite and walk in wardrobe, 2 further bathrooms, impressive open plan living, dining, kitchen with European appliances and chefs larder.

The lounge area has a roaring open fire and opens onto 2 superbly appointed deck areas front and back, facing north and south allowing you to follow the sun all day.

Rumpus and store rooms downstairs plus double garage and laundry make this a feature packed house accommodating the largest of families.

Features include soaring high ceilings, polished concrete and hardwood floors, under floor heating, double glazed windows, outdoor kitchen and shower, plus 40,000L water tanks. The list of inclusions is never ending.

Price: \$750 pw

Available Date: 2015-02-01
