

120 Harvey Street ANGLESEA, VIC

SUPERB DESIGN AND QUALITY

Located on a 1000sqm block opposite bush reserve this stunning 3 bedroom home has appeal and a 'wow' factor. Thoughtfully designed and craftsman built with an emphasis on clean line living and ease of access. The expansive living area with full length windows brings the outdoors inside with all the peace and quiet of a private sanctuary.

Read a book or have a coffee in the sunny atrium area with highlight timber lined vaulted ceiling.

Extremely well appointed kitchen with gas cook top, range hood, great bench and cupboard space.

Many built in features enhance this spacious home. Wood heater and split system.

The big bonus is the 8sq (75sqm) garage and storage area with great potential for office, studio, craft room, rumpus room or tradies workshop.

Price: \$835,000
