Sheer Brilliance

Absolute quality in every detail is apparent in this ultra-modern 3 B/R eco-friendly home. Utilising it's north-facing aspect and controlled eaves keeping the home warm in winter & cool in summer. This completely double-glazed and insulated home will impress you from every perspective. It's many features include:

- * Architecturally designed to encapsulate views in all directions whilst retaining maximum privacy
- * Ocean views that will not be built out & spectacular hill views
- * Hardwood throughout including Jarrah bench & vanity tops, merbau staircase, Tassie Oak flooring & random timber balustrades & screens
- * Luxurious ensuite to master B/R with bath & open shower
- * Top quality hardware, fittings & finishes
- * Feature joinery in living areas & study.
- * Dramatic lighting in garden & wall in entry featuring tree silhouette
