In A Class Of It's Own

This 4 B/R family home, constructed from Mount Gambier Limestone offers all the luxury's you could hope for from your coastal property. Perfect for retirement or permanent living this home captures sweeping views of the ocean. Finished with style and finesse, the well thought-out design creates a comfortable and spacious home with plenty of living areas and a modern open plan.

The kitchen, dining and lounge area are upstairs - ideal for sea-side living and taking in the lovely views. A very large balcony provides a great entertaining or al fresco dining area. Two bedrooms are upstairs, including the master with a walk-in robe and ensuite. A powder room means that guests have no need to walk through the bedroom to use the facilities.
