Complete Acre - Complete Lifestyle

In a fantastic location with views to Hayleys Reef that will never be built out, this 1 acre block is just 200 metres from the shore. Marengo Beach offers opportunity for swimming, surfing, fishing & rock-pooling and also marks the beginning of the "Great Ocean Walk", becoming more and more popular among eco-tourists. Just a 25 minute walk (or a 3 minute drive) to the shops and cafes of Apollo Bay and just a few minutes stroll to the site for the proposed 18 hole golf course - what a great property!
