"BENOMERA"

At the end of a secluded driveway lies your amazing earth sheltered, bush fire resistant & energy efficient bush retreat. A sensational opportunity to secure your very own ?seachange? Nestled on approx 10 hectares of typical Otway bush, high on the hill with filtered sea views.

The property offers a buffer against ongoing development along the Great Ocean Road and will always remain 10 Hectares of peace & privacy, protected from prevailing winds. A rare opportunity to secure a bush/ocean retreat along one of the best stretches of coastline in Australia. The residence was cleverly designed by architect John Swan 24 years ago & features two separate living areas that can be closed off from each other. Both have their own living ,dining, kitchen, & bathroom. The property
