## Surfer's Paradise

A neat 2 bedroom holiday retreat tucked away on a private 1.52 Ha bush block. The house has been built using fire retardant materials and contains all the comforts required for a very pleasant holiday getaway. The design is simple and minimal with intelligent thought put into the ability to simply lock up and leave. The kitchen has electric cooking, the living area has reverse cycle AC and a ceiling fan, and the bush outlook from every window and the verandah is tranquil and calming. Make an appointment to view this home.
