

3 Harrison Street MARENGO, VIC

COLLECTOR'S ITEM

This incredibly beautiful Art Deco inspired home is a rare find. Standing sentry above the beach at Marengo and overlooking the marine reserve to Mount's Bay and Southern Ocean beyond, this Harrison Street residence is unique in its position and its design.

The architect of this home had an eye for detail like no other. It is essentially Art Deco, in the Frank Lloyd Wright style with genuine period features and modern twists, bringing in the best of both worlds. From the outside, the house looks majestic with its manicured front lawn, double garage, North facing frontage and huge verandahs, so step inside the genuinely 1920's front door and you are in a light and lovely hallway that invites the eyes to look further.
