5 DWELLINGS/INCOME & ACREAGE

This superb 5 acre property is only a 7 minute drive to the Great Ocean Road and the township of Lorne.

It is being sold as a whole or can be structured into 5 separate properties if desired.

All the dwellings are in excellent condition and consist of a two storey 3 bedroom cedar house with study and 2 bathrooms plus four modern 2 bedroom cottages.

All are set in a delightful landscaped environment with a northern orientation. Included is a large artist studio or storage building, BBQ area and picturesque dam.

The property is professionally maintained and currently operating as Banksia Lake Cottages with a solid revenue stream and would equally suit a number of other uses including a family enclave.
