BEACH SIDE SURPRISE

Ideally located and full of surprises is the phrase that best sums up this fabulous beach house.

If you are looking for a well sized house to accommodate family and friends on a small low maintenance block, so that you won't spend your weekends maintaining the property, then this property demands your attention.

The size of the house is hard to estimate from the outside but on inspection one is surprised by the large living area which is combined with a large kitchen/dining area.

There are four bedrooms, three of which are very generous in size. The master also has a walk-in robe through to an ensuite.

Price: \$765,000
