Carefree Resort Lifestyle!

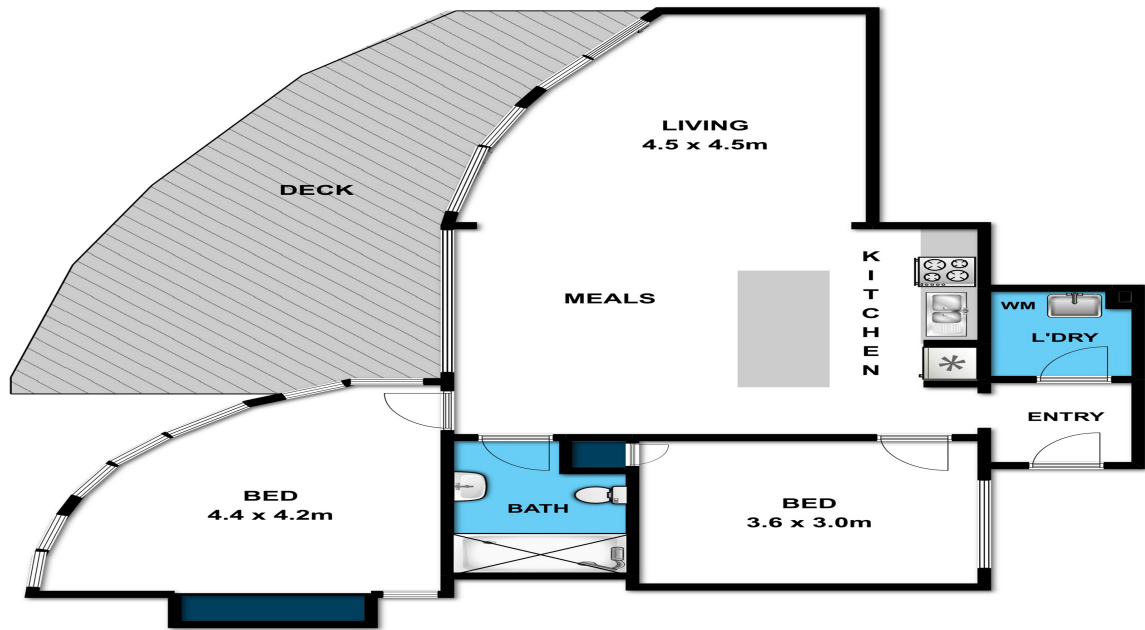

What a wonderful and unique opportunity to have a slice of resort style living. This fantastic, elevated 2 bedroom apartment is pride of place at the front of the great ocean road resort and is a part of this lovely complex. The enormous windows showcase the river right across the road with an exceptional view right through to where the ocean meets the river, so you can actually see the crashing waves. A large entertaining deck surrounded by garden and palm trees is like having an extra room of the apartment and a perfect place to take in the environment and aspect. The high ceilings throughout give a great feeling of space, particularly from the open plan kitchen, dining and living rooms. The master bedroom also has these grand windows, so can relax and enjoy your coffee, the scenery and see what the weather is going to bring for the day. The abundance of light throughout is a beautiful feature. With prime location offering walking distance to everything, however of course the resort itself has all you could wish for if you fancy having a super relaxing stay. You can easily pop over to have a facial or massage at the spa then head to the restaurant for dinner! This apartment will suit either private use, downsizer or investor looking for holiday accommodation bookings! Additional features include separate laundry, built in wardrobe, stone benchtop, stainless steel appliances, and a dishwasher.
