STUNNING LORNE LUXURY

Featured in Wallpaper International, this spectacular and iconic Swaney Draper designed residence combines a palate of internal textures influenced by the natural charm of Lorne. The tasteful combination of blackbutt timber, towering sandstone feature open fireplace, steel, glass and the 5 metre ceilings provide an internal aura seldom felt that flows onto the terrace and one of the most majestic north facing views. The Lorne landscape inspired residence offers zoned spaces for families and guests alike while the link provides the connection and the framework for the large central ocean viewing court yard.
