â??TINGIRAâ??

Much loved and meticulously maintained beach home or permanent house if you like!

Wrap around decking to catch the sun and view the surrounding wildlife all day. Ocean and bush vistaâ??s enjoyed from every angle.

A unique floor plan over two levels provides excellent separation, perfect for families or the holiday rental market.

Features include wood fire and split system heating, plenty of glass providing natural light, striking timber flooring downstairs, relatively flat land and easy vehicle access.

Inside inspection a must.

Price: \$440,000
