

2/22 Otway Street LORNE, VIC

## PEACEFUL AND IDEAL

With superb views and right in the heart of town, this property has two bedrooms.

Everything has been done - recently painted inside and out, refurbished decks, insulation underneath, great cupboard space, NZ wool carpet throughout, wood heating, split system air conditioning and heating.

All with a lovely open cathedral ceiling in a kitchen/living room flooded with light and a great sense of space.

The garden has been designed never to require watering: natives arranged with granite steps leading to the door with stone lanterns guiding you there - all framed in a weathered wooden fence with recycled wooden arches.

**Price:** \$530,000
