SIT BACK RELAX AND PLAN YOUR NEXT STEP!

As soon as you enter this single level home you will feel a sense of relaxation as you sit back and ponder life on the under-cover deck, overlooking the established gardens sprawling over the 605sqm of land while taking in the blue water views towards Aireys Inlet Lighthouse.

This well-maintained house is complimented by an easy floorplan of 3 bedrooms, open plan kitchen, living, dining opening to undercover deck space, central bathroom, 2 toilets plus detached lock up garage and garden shed.

The addition of a second level (STCA) would dramatically enhance view potential and accommodate the larger family.

The property boasts dual street frontage with pedestrian access to Neade Street allowing for an easy stroll to the Ocean Road.
