Set in the heart of Apollo Bay this original two-bedroom cottage is only 90m from the beach.

All the bones are there, it's just in need of a face lift and if you like a little retro flair there's plenty of that too.

Or feeling more adventurous, knock down and potential for a two lot subdivision (S.T.C.A), either way it's an ideal investment opportunity.

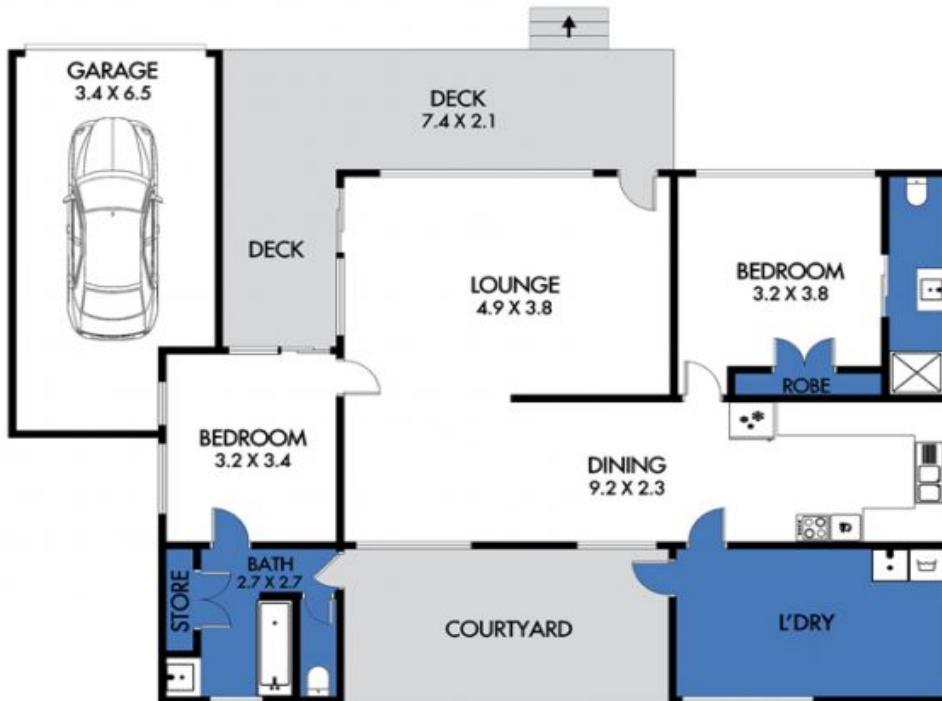

This original home needs some TLC with a recently updated kitchen and retro bathroom, timber floors and a comfortable living area, separate kitchen and dining area, and a small single lock up garage.
