Panoramic Paradise Perfection

This is where the true essence of traditional beachside living becomes your reality. Panorama crescent is one of the area's most exclusive addresses. Nestled high in a tightly held pocket above the Marengo coast, the home commands superb views across the rocky shoreline, golden beach and deep blue open waters. All of the above, being right upon your doorstep.

The home was purpose-designed for relaxed family living where the entertaining spaces flow intelligently across split-level zones creating the perfect backdrop for the coastal lifestyle. Relax or entertain on the desirable deck all year round with picturesque views to enjoy.

With three bedrooms the home is perfect for families, the generous windows throughout ensure that views are never far away. A gas log fire provides a cozy refuge. Outside, there's off-street parking aplenty, plus easy-care grounds that won't detract from your leisure mo

Price: \$780,000
