"LORNE IN FULL VIEW"

Not often do you get the exclusive opportunity to live in one of the Great Ocean Road most distinguished locations, sensationally cliffside with close proximity to the seaside haven of Lorne!

Perched high in a truly unique setting, rising out of the dramatic residential cliff-scape, the core-ten steel residence feels solid, natural and contemporary.

Featuring exposed concrete, generous open spaces and floor to ceiling expanses of glass, inviting the outside world in and capturing a dramatic, jaw dropping ocean, coast and natural fauna vista from every angle of the property. As the sun rises you wake to the first glimpse of the sun as it breaks above the Southern Ocean.
