PRIVATE HAVEN ON LORNE'S FRONT ROW

Sandstonehaven, designed by Award-winning Swaney Draper, is an oceanside modern masterpiece delivering both grand proportions as well as thoughtful spaces.

Rarely does a beach home offer a high-profile front-row location with its views, less than 2 minutes walk to the beach and 10 minutes to town as well as the privacy that Sandstonehaven does.

Completed September 2005, the striking seven metre by sixteen metre long sandstone wall is the centerpiece of the modern yet durable design of this coastal treasure.

The feature stonework combines gracefully with the recycled Blackbutt timber flooring, strategically placed "picture frame" expanses of double-glazed windows and bifold doors that beautifully combine the inside and outdoor environment.
