LOW MAINTENANCE LORNE LIVING

Arguably the best located apartment complex in Lorne boasting far reaching ocean views across to Aireys Inlet and a sheltered north east orientation.

The location is stunning as you can access the Pier precinct within a 3 minute walk including the Pacific Hotel, Aquatic Club and Pier Restaurant. The town centre is also a flat 10 minute walk or 2 minute drive away.

Comprising 3 bedrooms, 2 bathrooms, European laundry and expansive open plan kitchen/dining/living that opens out onto a large terrace.

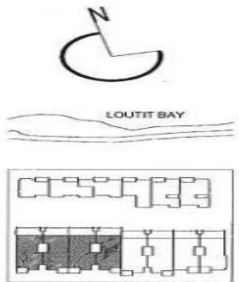

Excellent storage is provided in the lockup garage and a private courtyard to the rear offers a secondary outdoor space.

Recently upgraded floor surfaces, benchtops and furnishings make this a desirable holiday rental property or a comfortable low maintenance permanent residence if you like.
