CUTE, COMFORTABLE AND AFFORDABLE

Properties for sale in this price range and postcode are becoming increasingly rare. This cute and comfortable three bedroom beach house is set on a generous block of around 950m² and is within walking distance of all of Aireys Inlet's amenities. The size of the land and the siting of the house allows for an extension to the rear and up, which would provide valley views and ocean glimpses. An ideal investment property or a perfect beach house in a bush setting, the possibilities are endless. Given the post-Covid demand we are seeing for real estate on the coast, we don't expect this property to last on the market for very long.
