

63 Great Ocean Road Lorne, VIC

FRONT ROW STUNNER

Positioned on the famous Great Ocean Road with the beach 70m from your front gate. You can't get any closer!

A brilliantly appointed 4 bedroom, 2 bathroom (plus a powder room) house over 3 levels. 28 squares with deceptively large living spaces. A beautiful kitchen dining area with Miele appliances.

The view won't change and includes a beach, ocean and 'Lorne Point' view of the quality you expect on the 'front row'. Spectacular!

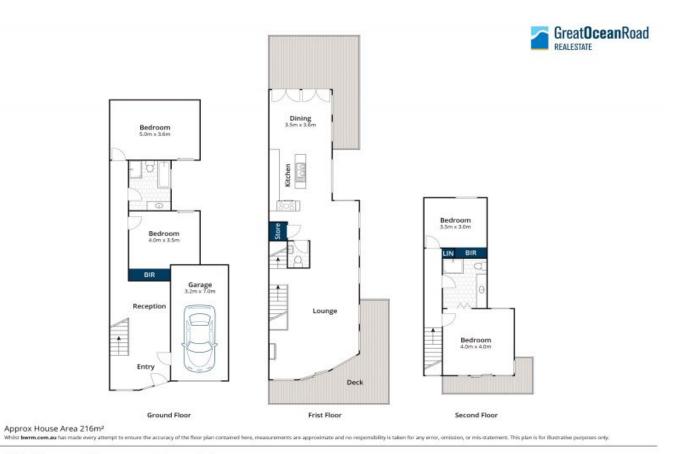

The northerly aspect, a mixture of timber flooring, polished concrete and carpeted flooring, decking at the front and rear, and a completely fenced block, make for low maintenance coastal living.
