## Spacious Family Home Close to Town

This beautifully presented property will provide the perfect base to enjoy Anglesea life to its full potential. The home comprises 5 large bedrooms (master with ensuite). There is an enormous open plan kitchen/meals/lounge with access to a rear covered deck that overlooks a beautiful native garden. The second living space is also substantial. The split level home has adequate air conditioning and a gas log fire to keep you comfortable year round. There is gas cooking, stone bench tops, timber flooring in the living areas and carpet in the bedrooms. There is a large single lock up garage for storage and additional off street parking. This is an extremely rare opportunity to secure a large luxurious home in Anglesea that is walking distance to the shops, river and beach.
