## BEACH BOX

Great opportunity to live right on the main strip with cafes and restaurants on your doorstep and the beach over the road.

The Kara Lynn studio apartments are well designed taking on the appearance of traditional brightly coloured beach boxes and providing more living space than you would expect for a studio apartment with the clever use of a mezzanine level.

Downstairs is a kitchen and an open plan kitchen/living/dining area with balcony and upstairs the mezzanine bedroom with combined ensuite. An off the coast sea outlook on title completes the package.

Painting is a choice or unfinished ?? your choice! Available on a 12 month lease.
