Roadknight Dreaming (Furnished or Unfurnished)

This is an extremely rare opportunity to call Point Roadknight home. Beautifully positioned on the corner of Sixth Avenue and The Great Ocean Road you are right in the middle of Point Roadknight.

This house has summer written all over it, but could be yours year round. Just a 10 minute walk down Sixth Avenue to the beach or soak up the atmosphere from your large front deck. There is a smaller rear deck, and large under cover area down stairs. Upstairs there are 3 bedrooms, and a large open plan kitchen, meals and living area warmed by a wood heater. There is a fully fenced rear yard for the children to play safely. A comfortable home year round or perfect for a holiday home. There is a locked room downstairs used by the rental providers for storage only.
