COASTAL DREAMING

Picture this! You wake up to the sounds of the majestic Bass Strait waves breaking on the beach below, you wander downstairs to the living area where you can just curl up with a good book and a cup of coffee by the log fire, or embrace the elements and sit on your own private balcony overlooking the ocean. Once the day has begun you can wander the secluded beaches, that hold unexpected delights such as vast, still rock pools at low tide and cosy hidden alcoves out of sight from passing traffic.

The quiet coastal hamlet of Wongarra is located just 16km east of the Apollo Bay township, so any easy drive when you feel like you need to do a spot of shopping or when you need to go out for a good meal.

Set on a grandstand ocean view position, the apartment is situated in a resort complex, on approximately 11 acres, on site facilities include in-ground swimming pool, tennis court and recreation room.
