

10 McRorie Street Anglesea, VIC

Cosy and Close to Town

This fifties style three bedroom family home is situated on a large, gently elevated block. A wide shady veranda overlooks the big front yard. The rear yard contains a partially covered barbecue area, as well as a herb and vegetable garden.

The house is fully furnished and has been recently renovated including the fitting of a new kitchen, bathroom and restoration of hardwood and Baltic pine floorboards. The north facing bedrooms and lounge are spacious and light filled. The wood heater and split system will keep you warm and cosy during the beautiful and quiet Anglesea winter. This house is ready for you to move right in.

The property is located within easy walking distance of Anglesea's main shopping centre, restaurants, and cafes. The Anglesea River precinct and main beach offers a range of sporting and recreational activities including golf, State Park walk and wilderness trails, adventure playgrounds, canoes and paddle boats, and are all located within 3km.
