SEANOOK (CURRENTLY UNDER CONSTRUCTION)

LIFE IS A JOURNEY

SEANOOK IS WHERE IT STARTS

This exceptional positioned development is now under construction with 6 architecturally designed, 3 level, 3 bedroom, 2 bathroom townhouses with internal lifts. All the homes provide a modern, sophisticated, living experience that transcends the typical parameters of townhouse design.

3 levels with, 3 bedrooms, 2 bathrooms & 4 building options to customize the house to be your dream home, these townhouses are timeless with carefully articulated floorplans & modern fixtures & finishings. Each townhouse enjoys ocean views and draws inspiration from nature, with neutral tones and facades that embrace a timeless yet elegant plate of materials, imparting a sense of textural depth, tailored for an elevated lifestyle. .
