ABSOLUTE BEACHFRONT

Arguably Lorne's most quintessential oceanside beach house combining yesterday's charm with today's highest quality fittings and finish. Meticulously modernised by Lorne architect Josh Crosbie and precision crafted by Howley Constructions the combination have brilliantly created this timeless character filled home.

Expanses of glass bi-fold doors, louvre windows and plantation shutters bring the outside in and the ocean talks as you listen. The 4/5 bedroom residence provides flexibility seldom offered. The master with large ensuite, walk in robes and ocean facing bi-folds creates an experience like no other. Bedrooms 2 & 3 both with ensuites, rear bunkroom a separate bathroom and downstairs rumpus/second living/bunkroom, also with separate bathroom access.
