FOUR BEDROOM HOUSE ON FIVE ACRES WITH OCEAN GLIMPS...

Small acreages are hard to come by in Aireys Inlet and there are only a handful of five acre lots in the entire area. Finding acreage with ocean views is even harder to find. This unique holding is only 1km from Sunnymeade Beach and less than 2km from the General store precinct, making it a very well located opportunity.

With a gentle slope the land is partially cleared and dotted with towering gums. With privacy assured the four bedroom house has potential for an upgrade or refurb but has very good bones and a sensible floor plan. The land is complimented by shedding, a dam and plenty of cleared areas for children, or even a horse or two, to roam.
