GRANDEST DESIGNS

A spectacular coastal five star hideaway on a grand scale with all the features of your very own private resort on an acre surrounded on all sides by national park. The super natural bush environment is the canvas that ignited the imagination of the design. Recycled timber from the wharfs of Brisbane, imported materials and 15th century timber doors combine brilliantly to produce this "one off" masterpiece.

Multiple pavilions come together as one to provide separate spaces, under the same roof. The first is the centerpiece of the home where from the grand entry you are exposed to the open kitchen/dining zone with expanses of glass, stone, European appliances, feature tiling and timber work that combine beautifully. The double opening sliding doors reveal one of the two outdoor entertaining areas and the beauty of the Southern Ocean to the Lorne Pier.
