THE ULTIMATE LIVING EXPERIENCE

High and private, this designer home is constructed using the finest commercial quality materials and workmanship.

Sleek and stylish, with its low maintenance layout and spectacular costal views, it offers all year round easy living: Sun and sea in summer; storms and rough seas in winter.

Central and almost water front means no car is required after arrival.

Comprising 3 bedrooms, 2.5 bathrooms (master with ensuite), large open kitchen/living/dining area, large north facing outdoor deck, lock-up garage for one car and off street parking for another.

Feature packed with a strong emphasis on low maintenance living.
