AAA LOCATION ? SPECTACULAR, UNINTERRUPTED NORTHERN...

Modern, as new, architect designed multi level (with lift) residence with an uninterrupted northerly view over Louttit Bay to the Aireys Inlet lighthouse, the Lorne Pier and Point Grey. The contemporary clean lines, neutral colour palate and modern fixtures and fittings promote luxury coastal living at its finest.

Three spacious bedrooms, all with B.I.R's, the master with generous ensuite and expansive undercover ocean viewing terrace. The signature upper level open kitchen/dining/living, plus powder room, is the centerpiece of uncompromised first class family enjoyment. Further enhanced by the gas log fire, timber flooring, expanses of full length glass, double opening doors, European appliances plus electric heating and cooling, nothing has been spared.
