SO MUCH MORE THAN MEETS THE EYE

One of only a handful of houses on the north side of Forest Drive with the bulk of the remaining land on that side being National Park, your privacy is assured.

Set on a generous 1000 sqm allotment, almost every inch of which has been cleverly used. This fully renovated house has three bedrooms downstairs plus bathroom and laundry, as well as a second living area/rumpus room. Upstairs is the master bedroom with a generous ensuite. The kitchen/living/dining area is open plan with stunning spotted gum flooring, faces north and spills onto an outdoor deck area with north views over the Otways. The very modern kitchen is fully integrated with stone benchtops and is very practical.

Price:

\$1,650,000 - \$1,850,000
