PARED-BACK COASTAL ELEGANCE

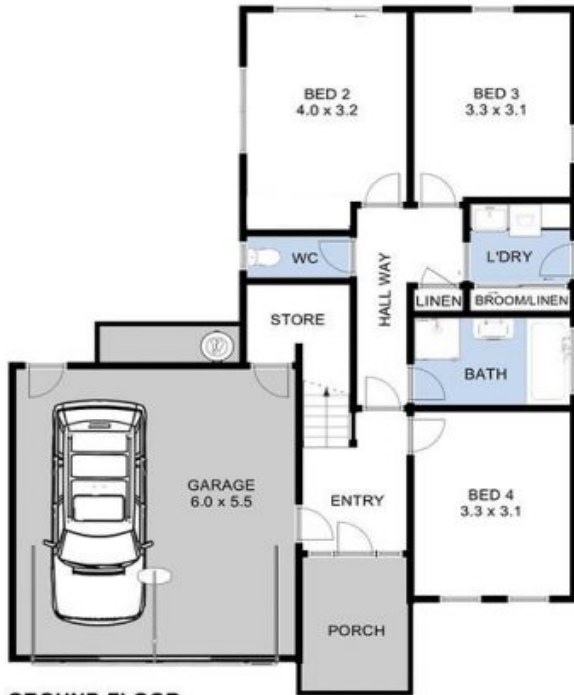

Just minutes to the beach, this lovely family home is situated in an established cul-de-sac in a very highly sought-after location. The property enjoys an elevated position with exceptional views and is surrounded by other quality homes. Crisp white weatherboards and hardwood timber features epitomize the modern coastal aesthetic and provide abundant street appeal.

The interior does not disappoint either. The home has been finished throughout in a soft light palette combined with blonde timber flooring, resulting in a tranquil and elegant ambience. Large windows throughout let in plenty of natural light and the well-planned layout delivers enough room for the largest of families.
