## A BEACH HOUSE WITH SOUL

With a place and space for everybody this sprawling home has a sense of warmth and character. The home's expansive footprint offers a place and space for everyone to coexist in perfect accord. Featuring five generous bedrooms and two bathrooms, the layout is anchored by multiple living zones that all lead toward a huge undercover balcony with mesmerising views of Louttit Bay. The lower level consists of a pool room / bunkroom that serves as the ultimate "teenagers' retreat," providing that essential separation of space that makes a holiday home truly functional.
